

# Togo

# Togo

Covered social  
and pretend play room with  
more space for sliding

Colourful roofs and  
panels signal  
play for young children.  
Colour scheme is carefully  
designed to promote good  
visual aesthetics

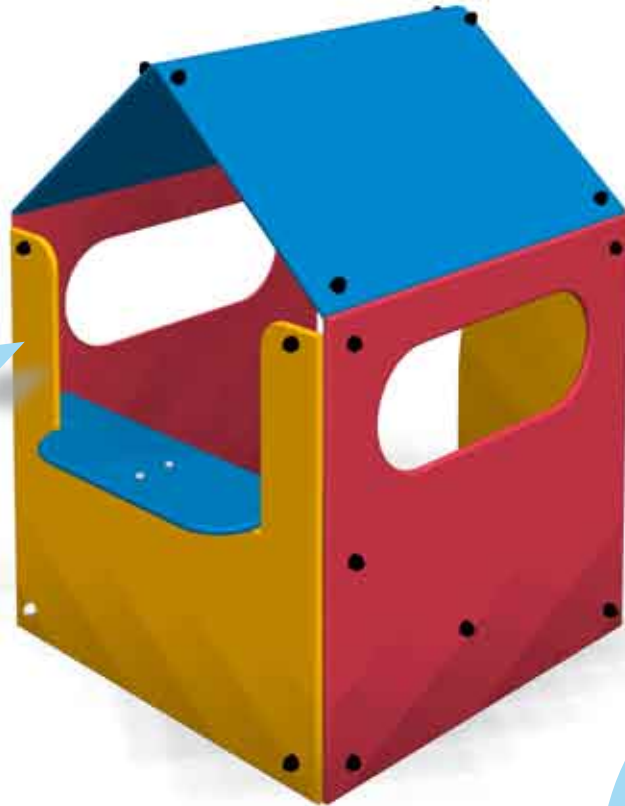

Many possibilities for  
active play

# Colours that signal play and increase understanding of space

Many choices  
of social and role play items  
to include in the play area

Children with  
limited visual ability  
can benefit from selected play  
items in strong colour contrast  
with background colours.

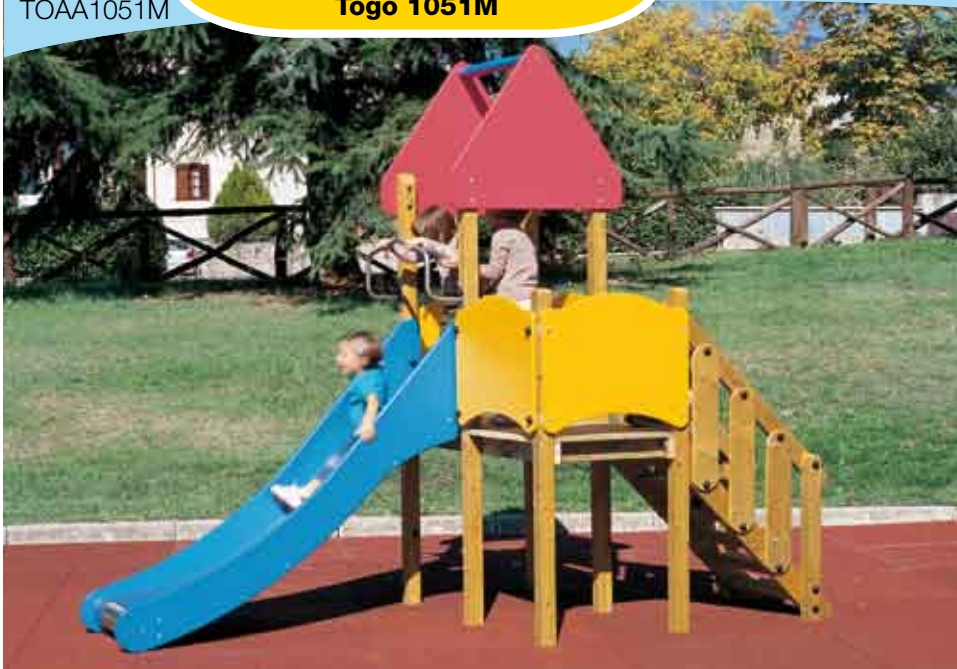

Possibilities  
for learning  
about co-operative play  
and integrated play
